On July 17, 2007 a Notice of Non-Compliance was mailed in response to an RCE filed on July 13, 2007. On January 18, 2008, a Petition to reset the time period for responding to the Notice of Non-compliance was filed. Petitioner alleges that the notice was not received from the office. A supplemental response was filed on July 10, 2008 to correct deficiencies found in the original petition.

As noted in MPEP 711.03: "Under the reasoning of Delgar, an allegation that an Office action was never received may be considered in a petition to withdraw the holding of abandonment. If adequately supported, the Office may grant the petition to withdraw the holding of abandonment and remail the Office action". Therefore the petition to reset the time period for response will be treated as a petition to withdraw a constructive holding of abandonment. As indicated in the original petition, Petitioner has accessed the Notice of Non-Compliance through the PAIR system. Therefore, the Office Action will not be re-mailed. Accompanying the petition is a response correcting deficiencies identified in the Notice.

The petition to withdraw the holding of abandonment is **GRANTED**.

The application is being forwarded to the Examiner with instructions to begin consider the amendment filed January 18, 2008.

Any inquiry concerning this decision should be directed to the undersigned whose telephone number is (571) 272-3591.
